Sea Breeze
MICRO-MINI MOTORHOMES

SEA BREEZE

Enter the special world of Sea Breeze, the most elegant micro-mini motorhome ever to take the road. Luxury abounds, highlighted by designer-quality draperies, handsome velour fabrics, deep pile carpeting with deluxe padding, and beautiful cabinetry. And interiors are as roomy as they are richly appointed. Each spacious Sea Breeze provides exceptional headroom, wide-open galley, and generously sized aiseways.

With this elegance comes enduring value. Considering all it offers, Sea Breeze has a surprisingly reasonable price. In addition, it is economical to operate and built with quality materials to assure years of enjoyment. Sea Breeze is designed and crafted by National RV, builder of the industry's first and foremost micro-minis, so more than two decades of experience and quality go into each and every unit.

Of equal importance, Sea Breeze is a pure pleasure to drive with

its new 150 HP V6 fuel-injected engine. In fact, you'll use this nimble, responsive compact as a second car. It's easy to maneuver, with superb handling and plenty of power to pull the hills. A streamlined, wind-cutting front end contributes to exceptional performance and boosts fuel economy in the process.

Extensive upgrades are evident throughout an impressive selection of four Sea Breeze models. The broad array of exciting standard features includes a Dometic refrigerator, top of the line AM/FM stereo with cassette and recessed lighting like you would find only in the most expensive motorhomes. Further, a comprehensive choice of options lets you tailor Sea Breeze to your individual requirements.

In short, Sea Breeze is everything you've wanted in a motorhome — luxury, comfort, performance, and value. Experience it all soon at your Sea Breeze dealer.

FRESH AND INVITING... SEA BREEZE LEADS THE WAY!

The all new 150 HP fuel-injected V6 engine is a pure pleasure to drive. And the fuel-saving automatic overdrive transmission will keep your pit stops few and far between.

The experienced RV'er knows that ample storage space is all important for comfortable travel. With this in mind, Sea Breeze has also included a large, easily accessible and lockable outside storage area for those bulky items you don't want to leave behind.

Sea Breeze

MICRO-MINI MOTORHOMES

This exceptional model has all of Sea Breeze's traditional quality features and a truly attractive layout. Once inside the 400, you're greeted by an L-shaped dinette that you'll find ideal for entertaining friends or just plain relaxing. If you'd like, you can set up two tables to create conversation areas. The one by the dinette is shown here, and a second table can

be placed in front of the sofa.

The 400 is all-around comfortable with two beds — one's the convertible sofa and the other is a full-size mattress over the cab. There's also a rear bath and shower for your total convenience. You'll also appreciate such nice touches as lined cabinets and a wardrobe with aromatic cedar.

*"Not to go anywhere, but
to go . . . travel for
travel sake. The great affair is
to move."*

Robert Lewis Stevenson

MODEL 500

Dining's a delight in this unique Sea Breeze model. Your special booth is reserved, and what a view through the large tinted windows all around you! In the evening, this area converts into a queen-size bed for comfortable sleeping. In addition, two more in your party can bed down above the cab on a 50" x 78" mattress. And there's plenty of storage space for your food, clothing, and personal belongings.

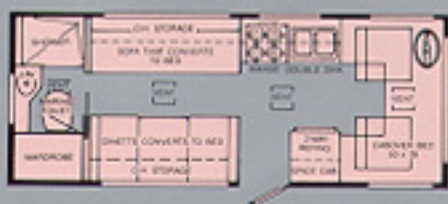

REAR DINETTE

MODEL 800

Step into the 800's cheery kitchen, with a conversation area off to the side. You'll enjoy lounging on the sofa/bed across from the dinette area with its large, convenient table. You'll also appreciate the spaciousness and amenities provided by the rear bath. Its separate shower, vanity and wardrobe make you feel right at home. And as an option, you can choose to replace the dinette area with barrel chairs and a companion round table.
