Introducing the 2001 Tradewinds® LTC luxury diesel pusher by National RV. The Tradewinds® LTC is a companion product to National RV's tremendously popular Tradewinds® brand diesel pusher that was introduced in 1997. The "LTC" or "Luxury Touring Class" name demands an uncompromising vision of the ideal diesel pusher and the Tradewinds® LTC doesn't disappoint. The Tradewinds® LTC has been engineered for motor home enthusiasts who are looking for more power and better performance.

Chassis System

Freightliner custom chassis, the most trusted name in over the road trucking, provides the foundation for the Tradewinds® LTC. The

exciting Newway independent front suspension system affords Tradewinds® LTC with the best possible ride quality in its class. Caterpillar's awesome 3126 model, 330 HP (860 ft. lb.) motor coupled with the Allison 6 speed automatic, computerized transmission will conquer any grade and load with ease. This engine system is kept running quietly and coolly by Freightliner's high performance side mounted radiator cooling package with hydrostatic fan system. Not only will this impressive chassis move you quickly with power to spare, it allows you to load more gear than ever before. Utilizing our impressive Duraframe® subfloor system, the massive basement storage compartment is increased through the use of a raised rail chassis design.

Deluxe Interiors

The Tradewinds® LTC continues National RV's reputation of manufacturing the most stylish and functional coaches you can own. Whether you choose the warmth of solid oak or the luster of pure walnut cabinetry, we've spared no expense in making your home away from home an enjoyable place to live. Once you experience the plush "ultra-leather" in the captain's chair, copilot seat and hide-a-bed, you'll never accept any substitutes again. Ceramic tile flooring adds another dimension of class and is set in a special silicon based bonding agent that helps prevent staining and cracking. In the galley, you'll find a Dupont Corian® countertop with a standard countertop extension that provides a huge workspace. The

decorative and functional use of Corian® continues into the bedroom with accented nightstands and valances.

Thoughtful Amenities

Each Tradewinds® LTC comes with an wealth of standard features not found in other coaches in its class such as a digital satellite system, security alarm system, one-piece fiberglass garden tub and shower, CB radio, deluxe diesel truck air horns, 2000 watt inverter, dual pane windows, day/night shades, recessed docking lamps and aluminum wheels. In the bedroom, each Tradewinds® LTC features a huge wardrobe slide-out, a ten disc CD player with AM/FM stereo and clock and a cedar-lined wardrobe.

About National RV

National RV has established itself as a premier motor home company with a reputation for offering innovative, quality products that feature a rich supply of value-added features for a reasonable price. National RV has over 37 years of experience as a manufacturer-not merely an assembler. Many distinctive features are designed and manufactured in-house such as garden shower tubs, custom dashboards and luggage doors to guarantee quality and superior fit and finish. National RV has also established itself as the company that listens and responds to the needs of our customers. National RV's employees are dedicated to producing quality recreational vehicles that will provide a lifetime of fond memories.

If a difficulty does arise, we feature an extensive dealer network spanning the United States that is prepared to handle your service concerns. As an original Tradewinds® LTC owner, you can also call toll-free to Coach Net at anytime for expert advice on any problem you may have (good for one year from date of purchase; non-transferable program can be extended for a nominal fee).

National R. V. Holdings, Inc. is a public company whose shares trade on the New York Stock Exchange under the symbol "NVH." If you would like to join the National RV family, contact our Investor Relations Department at (909) 943-6007.
